

HIGH-QUALITY CORROSION PROTECTION SOLUTIONS FOR AUTOMOTIVE, MACHINES AND METALWORKING INDUSTRY.

ANTICORR SOLUTION WITH SYSTEM BASED ON VCI PAPER OR ON VCI FILM (VCI=VOLATILE CORROSION INHIBITOR).

Solutions with system based on VCI PAPER

	Ferrous	Multi-metal + Ferrous
Premium <small>For exacting applications</small>	BRANOrost R* BRANOrost M	BRANOrost U
Basic <small>For basic applications</small>	FERROGARD*	MULTIguard
Customized <small>For individual applications</small>	Custom-made solutions	

*contains nitride, according to TRGS 615

Solutions with system based on VCI FILM

	Multi-metal	Ferrous metal	Non-ferrous metal	Precious metal (Silver)
Standard films <small>available in different thicknesses and highly tear-proof</small>	BRANOfol M3 BRANOfol M4	BRANOfol R3*	BRANOfol Cu	BRANOfol S
Fully configured films	BRANOfol Multifunction M3 BRANOfol Multitron - NEW BRANOfol Stretch M5		BRANOfol AL BRANOfol LPM 6 BRANOfol Skin R2	

*contains nitride, according to TRGS 615

Lösungen mit System

Solution with system

Extended possibilities for BRANOCeLL products			VCI Emitter
K creped paper			VCI products without packaging function or for constructive packaging
P/Q coated with PE/PP (water-repellent)			
S sealable			
PK creped + PE (water-repellent)			
NX reinforced + PE (water-repellent)			
C bleached			
Further BRANOCeLL products			
For the protection of additional material classes			
BRANOCop	BRANOkont	Silverbrite	BRANOrost Chips
			BRANOrost duplex card-board
			BRANObox
			BRANOWave

Special VCI FILMS

Batch	Barrier characteristics	Additional characteristics	Mechanics	Color
Multi-metal	S-Barrier	UV-stable	S <small>shrinkable</small>	Blue
Ferrous metal	H ₂ O	Flame retardant	XS <small>highly-tear-proof</small>	Purple
Non-ferrous metal	O ₂	Antistatic	SXS <small>shrinkable and highly-tear-proof</small>	Grey
Precious metal (silver)	None	ESD protection	GL <small>high slip properties</small>	Yellow
		None	KL <small>cross-laminated</small>	Red
			SP <small>special polymer</small>	Brown
			None	Green
				Black
				Colorless
